"Safeguarding is everyone's business"

It is everyone's responsibility to do something if there are concerns that a child is suffering from or is at risk of significant harm. Starting Point is Derbyshire's first point of contact for children and younger adults for advice and support or if you have concerns for a child. The service is available Monday to Friday from 8am to 6pm. Telephone 01629 533190 or visit www.derbyshire.gov.uk/startingpoint or contact NSPCC free 24 hour, 365 days a year helpline on 0800 800 5000 or visit www.nspcc.org.uk However, if you are concerned that a child is in immediate danger, you should contact the police.

Langridge Homes

One of our governors kindly approached Langridge Homes to see if they would support school with any funding or work towards the playground. So they kindly donated £500 to school. With this money, we are purchasing two new outdoor sheds for Pine Class. One will be for storage and the other will be an outdoor home corner for the children to use in their outdoor area. So we would like to thank Langridge homes for their donation.

In return, Langridge home have sent us a link with information about their existing and upcoming properties for sale on their site. They could offer a special discount on selected properties, to any parents with children at our school and if a sale was to be made and completed, Langridge Homes would be happy to contribute a further £500 to school. The link s below for your viewing.

1st June 2026 – Dinosaur Dig!

The children will embark on an adventure into the realm of dinosaurs with a captivating Jurassic Dig Journey, a fossil excavation experience designed especially for primary schools. Within the sandboxes, the children will delve in to unearth and classify fossils from an array of legendary dinosaurs. From the mighty Tyrannosaurus Rex to the armoured Stegosaurus and the horned Triceratops, alongside mysteries of creatures from the past. This immersive workshop gives children the opportunity to investigate fossils hands-on while learning how palaeontologists uncover and study evidence from millions of years ago. What a great experience being a palaeontologist! This is part of our topic – Dinosaurs Rock! **The total cost for this particular experience is £424 and school is paying £224 towards this. Therefore, we will be asking for a voluntary contribution of £5 per child to cover the cost. We will let you know when this is live on Parentpay.**

1st July 2026 – Manor Park Farm

During the day the children will go into 'The World of Dinosaurs Roar!'. The exciting trail features life-size dinosaur models in a natural woodland setting. Along the trail, the children will meet Dinosaur Roar the Tyrannosaurus Rex, Dinosaur STOMP the Triceratops, Dinosaur WHACK the Stegosaurus, Dinosaur WHIZZ the Coelophysis, Dinosaur FLAP the Oviraptor, Dinosaur BOO the Deinonychus and Dinosaur MUNCH the Diplodocus.

Thank you to Mrs Yendle for planning and delivering a variety of activities to all children during Mental Health Awareness week. The children worked brilliantly together showing kindness, respect and empathy towards one another. It was a positive and meaningful experience for everyone.

Rowsley Steam Train ride – what a fantastic day the children had. The children were a credit to our school and thank you to all of the staff and adults who helped make our trip a success.

Have a lovely half term everyone!

Best wishes,

Miss Guthrie and the Lons Team

Y2 Transition – On Tuesday the 30th June, parents take their child up to the juniors and collect them at the end of the day. On the morning of the 6th July 9am-11.30am, parents take their child up to the juniors and staff will meet you up there then staff will bring the children back from juniors for their lunch.

Whole School Transition for the rest of the children - Tuesday the 30th June (all day), 6th July (afternoon) and 7th July (morning). Children come into school the usual entrance.
