

## Science

We will continue our work on plants, naming plant parts and learning about deciduous and evergreen trees.

## Design Technology

In music, we will be exploring the units *Swing a long* and *Charlie Chaplin* from our scheme Music Express.

In DT we will be exploring clay and its uses. We will design and make our own flower pot for the sunflower seed that we plant in the first week of term.

## Maths

This half term we will begin to look at multiplication and division. There will be lots of work on counting forwards and backwards in 2s, 10s and 5s.

We will also look fractions, finding half and quarters of shapes and amounts.

## English

Our main texts this half term will support our topic – The Flower and Bloom.

Our writing focus will be writing sentences using capital letters, finger spaces and full stops and re-reading our writing to check for sense. We will also begin to use exclamation marks and question marks in our writing.

## Geography

We will be learning all about maps this half term. We will learn about the points on a compass and use the terminology North, South, East, West. We will follow maps, give directions and create maps. There will be lots of exploring outside!

## RE

In RE we will be answering the question how should we care for others and the world and why does it matter?

## Year One - Lons Infant School Pine Class and Oak Class

### Term: Summer 1

## Physical Education

We are focussing on orienteering this term in our Tuesday PE sessions. This will include reading maps and taking part in team orienteering games.

## PSHE

Our PSHE focus is *Money Matters*. We will be talking about how money can take different forms, how some things we need and some things we want. The children will also look at how we can save money.

The whole school focus this half term is on *Determination* which we will be discussing during our circle time sessions and assemblies.
