

## Understanding the World

We will be learning about how we can care for living things. We will learn the names of some minibeasts and make a minibeast hotel. We will also learn about the life cycle of a butterfly.

## Expressive Arts and Design

In music, we will be exploring the units *Swing a long* and *Charlie Chaplin* from our scheme Music Express.

In EAD we will be exploring clay and its uses. We will make our own clay snails in response to our minibeast hunt in the forest.

## Maths

This half term we will be exploring the numbers to 20 and beyond. This will involve lots and lots of counting.

We will also begin to explore subtraction asking 'how many left?'

## English

Our main texts this half term will support our topic – The Flower and Bloom.

Our writing focus will be writing sentences using capital letters, finger spaces and full stops.

## Understanding the World

We will be learning all about maps this half term. We will learn why maps are useful, that maps have symbols on them to help us locate things and we will also make our own maps.

## RE

In RE we will be answering the question how should we care for others and the world and why does it matter?

## Reception - Lons Infant School Pine Class

### Term: Summer 1

## Physical Education

We are focussing on orienteering this term in our Tuesday PE sessions. This will include reading maps and taking part in team orienteering games.

## PSED

Our PSED focus is *Money Matters*. We will be learning that money is used to buy things and that we need to keep it safe.

The whole school focus this half term is on *Determination* which we will be discussing during our circle time sessions and assemblies.
